WHAT IS HAPPENING WITHIN THE IFGEA

Calling Godly men and women who meet the qualification of a General Board Member: We are looking for people to volunteer to help oversee the direction of the I. F. G. E. A., Inc. during this time of growth. The term of office is for four years. They must be willing to travel for Board Meetings, some are in Texas and some are in Oklahoma. Jesus had twelve men that followed him and learned the basic steps in doing God's work. All we are asking is for people to volunteer to learn to run the association so that at no time will it all fall on the shoulders of one or two people to carry on. Rev. Wingrove and Rev. Gibbs needs good dependable people to apply and help the ones they already have. Contact the office for more information.

At the recent Board Meeting five new minister were approved which brings the total of Licensed and Ordained ministers to ninety-five and two Christian Workers. Praise the Lord our Association is growing.

The decision was made to wait until cooler weather before resuming work on our new sanctuary due to the high temperatures in July and August and almost all of our workers are volunteers from within the association. Please pray about coming out and working with us on the campgrounds.

At this time, thanks to you that are faithful in your giving to the association, we are not in debt for the new sanctuary and we can remain out of debt only with your tithes, offerings and gifts. Be assured each donation given is deeply appreciated. The air conditioning will cost over a thousand dollars then there is the cost of heating as well.

The air conditioners were pushed back again and we have reached out to an H/AC installer about the price of central heat and air since the AC's availability date keeps getting extended.

A Special Word From Rev. Gary Wingrove

How Important is the Anointing in our Church?

The Anointing destroys every yoke of bondage and sets at liberty all who are bound. In everything, God has provided the necessary provision. He holds back nothing. We as Christians depend on the anointing to lead us through each phase of our journey. Many refer to the Anointing as the good feeling or hype we may experience during a good Church service, when the reality is, it is much more than just a good feeling or hype; it is the awesome presence of Almighty God in our midst. The Supernatural Power of God. In His presence, the atmosphere is charged with Miracle working power. This wonderful experience does not just manifest simply because we showed up at Church. The anointing must be invited into our services. You may ask; "How is that accomplished?" Only through Heartfelt, Sincere, Aggressive worship throughout the entire Service, from start to finish.

What seems to be lacking in many churches throughout the land is worship that truly moves God, Breaking Chains, Destroying Strongholds, and putting our enemy in his place, Under Our Feet!!!

John 10:10

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

When the Church begins to yield itself to the Lord and aggressively worship Him, New Life begins to manifest in the midst.

When the anointing begins to flow, just flow with it, and Expect Your Miracle.

License Renewals

That time of the year has come when we have to make a decision do we want to be in the faithful group that makes a commitment to our Association to have our license renewal turned in before October 31st, with our renewed commitment to support our association with more than just our renewal fee.

Our association needs your help in many areas. It is not only in your contributions of money but also in your contribution of prayer for the leaders that we have and for the ones that we need. At this time, we have two very important areas that need leaders; they are the Youth and the Ladies groups. We have had a thriving Ladies group in the past that held retreats, which encouraged our women that are not ministers as well as the women in our churches. We need a leader for this group.

In addition, we need a leader for our young people. Our youth are not only part of our church of today but they are the leaders of tomorrow. Without our leadership and example, we will lose the youth and then our churches. The world is not the same place it was 40, 50 and 60 years ago when we were young. Back then we had parents that attended church and took us along with them, we had prayer in our schools and there was not the hatred for Christians that is getting so widespread in today's world. We need to pray for our youth.

In the near future, if it has not arrived yet, you will be getting your renewal application. Please take the time to fill out and corrections needed and return it as soon as possible. We will be offering the chance to do so by email for some, but this year all will be getting the paper renewal.

This year I want to ask each one to reach out and offer a smile, a card, a phone call or even a visit to encourage the ones who are laboring along with you in the work of God. We all need to know that we are not alone. One way we can do this is by recognizing and making them feel special on their birthday or anniversary.

Prayer Changes Things

¹⁴ Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: ¹⁵ And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him.

James 5:14-15 (KJV)
